The North American Bridge Championships are coming this Fall to Orlando and we are offering you a wonderful opportunity to participate in a way you may not have thought of before. You can actually name various Regional and Side Game events in honor of the special partner, director, mentor, a loved one or organization that you would like to be recognized. A \$1,000 sponsorship will allow you to have a two session event that day and a write up in the Daily Bulletin. Deadline for event sponsor applications is July 1, 2016.
